Sexual Harassment Prevention Cell

The sexual harassment case prevention cell has been established in year 2009. The primary goal of sexual harassment is "Harassment Prevention" which requires changes in behavior, thinking and attitude. There is no short-term solution but changes in workplace policies and procedures from employers can make sexual harassment prevention secure and safe. It can avoid reduction in employee productivity and morale that harassment causes and negative publicity that can result.

Aims and Objectives:

1. To promote awareness on Women-related issues.
2. To organize the programs for creating legal awareness among girls and ladies staff.
3. To strengthen them to confront sexual harassment.
4. To motivate the girls and ladies staff for developing positive attitude.
5. To organize the programs in order to educate them regarding discrimination of women.
